

KEEP YOUR SCHOOL SAFE

GARRETT®

MEETING TODAY'S CHANGING THREATS

Multi Zone Metal Detector

For decades, Garrett has assisted thousands in providing a safe learning environment for students and staff, both in the classroom and the arena.

A Complete Security Solution Starts with the Essentials.

▲ Garrett Multi Zone Walk-Through

for maximum throughput without compromising security

▲ Garrett Super Scanner V Hand-Held

for secondary screening to locate objects detected by the walk-through

▲ Portable protection

with **casters and battery modules**, your screening checkpoint can be rapidly redeployed for special events, graduation, and at stadiums.

GARRETT®

FOUR DECADES OF GLOBAL SECURITY EXCELLENCE

Garrett Online Training

For decades, Garrett instructors have shared practical experience in operational planning, equipment deployment, and field maintenance of comprehensive security applications.

The Garrett Virtual Academy™ is now the industry's only comprehensive virtual training program focusing on security metal detection screening.

Get access to:

- Video training
- Knowledge checks
- Course completion certificates

Sign-up for the Garrett Virtual Academy by visiting:

“Within a 20 minute time frame in 3 open locations with metal detectors, we can get over 1400 students through those metal detectors.”

~ Rachel Harris

Principal at Santa Fe Independent School District

“The feedback I’ve received from all stakeholders is very positive... They know that [metal detectors] serve as another layer of protection and security for everyone.”

~ Oscar Perez

Executive Director of Health and Safety at Laredo Independent School District
