## Swiftpro K30D

### **Swiftpro K30D Double Sided** **Retransfer Card Printer**

Doculam provides market-leading solutions with an extensive range of retransfer desktop solutions to meet the needs of the customer and by adding value to global businesses. Our mission to revolutionise business identity and access management by building trusted partnerships through our simple SMART™ partner distribution networks.

The Swiftpro K30D retransfer card printer has an outstanding print quality for single and double sided printing. With 300dpi printing density, it is the ideal solution for businesses requiring high-quality identification cards, passes, and badges with personalised physical and logical access management.

The ultra-fast, powerful Swiftpro K30D printer is available with contact and contactless smart code encoding technologies and 100 cards input and output hopper with optional 250 hopper upgrade. This reliable and durable printer is the ideal solution for both entry level to advanced secure card programs for a range of vertical markets.

Selecting the right printer is important, more important is ensuring the supply of Genuine Swiftpro Supplies and Retransfer film is also critical in delivering reliability, print quality and vibrant colours for your card programs. Swiftpro supplies deliver consistency and ensure the longevity of your printer and print head and minimize downtime and create efficiencies in your card programs. Always ask for Genuine Swiftpro Supplies from your Authorised Premiere Value Added Distributor, Premiere Enterprise Solution Provider or Premiere Value-Added Reseller.

#### **SECURITY**

The ribbon erase function prevents leakage of personal information on the monochrome panel ink ribbon. It scrambles information beyond recognition to protect this data.

#### **VERSATILITY**

Swiftpro's modular design permits customers to upgrade as their card programs need changes.

#### **IMAGE QUALITY**

High Resolution printing using 300dpi printing provides superior print quality for all your card programs.

#### **RELIABILITY**

Swiftpro K-Series are well respected globally for their Japanese engineering for quality and reliability.

#### **INNOVATION**

Innovating since the 90's with state of the art retransfer printers, providing safe, secure, and reliable ID card printer solutions to global organisations since 1989.

#### **DURABILITY**

Highly durable printers with industry leading warranties on all our products and lifetime on the print head. The K30D comes with an optional single or dual sided laminator providing elevated durability and Security to your card program.
